

Good Afternoon Citizens of Waverly,

We are hoping everyone is taking seriously the precautions that have been recommended to prevent the spread of COVID – 19. We are looking to protect our employees at Town Hall and are asking you to help us by using the drop box for all payments including water and sewer, business license and tax payments. We are also asking that you consider using a money order instead of paying cash. We will mail you a receipt within one business day for any payments. Please continue to use the drop box until further notice.

The Mayor and Waverly Town Council will be holding an emergency meeting on Thursday March 19, 2020 at 6pm to discuss any additional precautions that may be put into place in the coming weeks. This meeting will be a closed session.

Lastly, if you have someone that you would like our police officers to check on please do not hesitate to call us at 804-834-2330.

Thank you and I wish each of you a safe path ahead.
